

Press Release from Rotary

THE ROTARY BUSINESS FORUM

What is the new Rotary Business Forum? Perhaps we should start with "what is Rotary?" Rotary is a worldwide group of 1,250,000 people, in over 200 countries, who come together to exchange ideas, form friendships and professional connections, while making a difference locally and around the world.

The Rotary Business Forum is an offshoot of an existing Rotary club, the Rotary of Cambridge South and has been created to specifically encourage Cambridge professionals, entrepreneurs and mid-career leaders to get together regularly in a supportive environment. Our meetings generally take the form of a conversation. We'll often have an in-depth discussion about a topic such as business ethics, succession planning or leadership. Occasionally we'll have a more formal presentation from a leader in the local business community. Our members have found that it's a truly rewarding experience.

President of the Cambridge South Rotary Club, James Watts says:

"Rotary is based on a simple concept of putting something back into our community, while using and developing our business and personal talents. Being a member of Rotary allows us to network locally and Internationally, while making friends and business contacts. It's fun and it's good for business."

President James continued, *"The Rotary movement has been alive and well in Cambridge for many years and during that time Rotarians have made a significant difference by giving of their time to undertake amazing projects benefiting the community and raising substantial sums of money, the majority of which has been reinvested in the town"*.

Rotarian Nick Hadley who is one of the founders of this new Rotary Group said "Becoming a member of the Rotary Business Forum enables you to meet other business-minded individuals and leaders. In doing so, you can make an impact both locally and around the world. Membership of the Forum is open to anyone with an interest in business or their career. If you are a business owner, self-employed or in management you'll almost certainly get a benefit. With like-minded individuals to talk to and learn from, you'll leave each meeting topped-up with new ideas and enthusiasm."

The Rotary Business Forum meets alternate Friday mornings at 7:30am finishing by 8:45am, meeting at: Stirling House,^[L]^[L]Cambridge Innovation Park, Denny End Road, Waterbeach,^[L]^[L]Cambridge^[L]^[L]CB25 9QE
